Sydney, Australia — November 1st, 2021 — Mawson Infrastructure Group Inc. (NASDAQ:MIGI) (“Mawson”), a digital infrastructure provider, is pleased to announce the listing of its first product by its Cosmos Asset Management business on the Chi-X stock exchange in Australia, under the code 'DIGA.CXA'.

The Cosmos Global Digital Miners Access ETF (DIGA.CXA) – is designed to provide the investment returns, before fees and other costs, which tracks the performance of the Global Digital Miners Index. The underlying index is managed by Standard & Poor's.

Further information can be found at the Cosmos Asset Management website at www.cosmosam.com.au.

James Manning, CEO and Founder of Mawson, said, "*The Cosmos Global Digital Miners Access ETF is designed to provide access to global leaders listed on national exchanges with a focus on cryptocurrency asset mining and infrastructure. Mawson is proud to provide Australian investors with easy access to this space given the industry's growing global appeal, without them having to hold direct equities in multiple jurisdictions or try to hold cryptocurrencies directly. We believe this is a significant development and milestone*

for the Australian funds management industry, providing greater opportunities, flexibility, and access to this growing industry.”
