

MAWSON INFRASTRUCTURE GROUP INC. ANNOUNCES THE APPOINTMENT OF HEATH DONALD AS CHIEF MARKETING OFFICER, AND TOM HUGHES AS GENERAL COUNSEL

Posted on February 11, 2022

Mawson is pleased to announce it has appointed of Heath Donald as Chief Marketing Officer (CMO), and Tom Hughes as General Counsel (GC). Both bring a wealth of experience to their respective roles, putting Mawson in good stead as it expands its operations across the USA and Australia.

Sydney, Australia and New York City, USA — February 11th, 2022 — Mawson Infrastructure Group Inc. (NASDAQ:MIGI) (“Mawson”), a digital infrastructure provider, announces the appointment of Heath Donald as Chief Marketing Officer (CMO), and Tom Hughes as General Counsel (GC).

Tom has over 15 years’ legal experience and was most recently Head of Group Legal at HUB24 Ltd, an ASX200 technology and financial services company, where he was instrumental in building the legal, risk and compliance function. Tom’s career includes inhouse legal and secretariat experience across several large publicly listed companies (Macquarie Bank Ltd, ANZ Bank, Boral Ltd), and he has practiced as a senior lawyer at top tier and large corporate law firms, including Clayton Utz.

Heath has over 20 years’ experience across technology, communications and marketing, primarily in the telecommunications and IT industries. Heath was previously founder and CEO of No Names Digital Inc, a digital marketing business focused on social content marketing and omni-channel sales.

Heath Donald, Chief Marketing Officer of Mawson, said *“It is pleasing to join a team of*

likeminded individuals who are extremely focused on being leaders in this emerging sector.”

Tom Hughes, General Counsel of Mawson, said *“It’s an exciting time to join Mawson, as they go from strength to strength. It’s great to be part of a team with the vision and drive to make it happen.”*

James Manning, CEO and Founder of Mawson, said, *“We are delighted to have appointed Heath and Tom to our expanding team. Both bring a wealth of experience to their respective roles, putting us in good stead as we expand our operations across the USA and Australia.”*

About Mawson Infrastructure

Mawson Infrastructure Group (NASDAQ: MIGI) is a digital infrastructure provider, with multiple operations throughout the USA and Australia. Mawson’s vertically integrated model is based on a long-term strategy to promote the global transition to the new digital economy. Mawson matches sustainable energy infrastructure with next-generation mobile data center (MDC) solutions, enabling low-cost Bitcoin production and on-demand deployment of infrastructure assets. With a strong focus on shareholder returns and an aligned board and management, Mawson Infrastructure Group is emerging as a global leader in ESG focused Bitcoin mining and digital infrastructure.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

Mawson cautions that statements in this press release that are not a description of historical fact are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by the use of words referencing future events or circumstances such as “expect,” “intend,” “plan,” “anticipate,” “believe,” and “will,” among others. Because such statements are subject to risks and uncertainties, actual results may differ materially from those expressed or implied by such forward-looking statements. These forward-looking statements are based upon Mawson’s current expectations and involve assumptions that may never materialize or may prove to be incorrect. Actual results and the timing of events could differ materially from those anticipated in such forward-looking statements as a result of various risks and uncertainties, which include, without limitation, the possibility that Mawson’s need and ability to raise additional capital, the development and acceptance of digital asset networks and digital

assets and their protocols and software, the reduction in incentives to mine digital assets over time, the costs associated with digital asset mining, the volatility in the value and prices of cryptocurrencies and further or new regulation of digital assets. More detailed information about the risks and uncertainties affecting Mawson is contained under the heading “Risk Factors” included in Mawson’s Annual Report on Form 10-K filed with the SEC on March 1, 2021 and Mawson’s Quarterly Report on Form 10-Q filed with the SEC on November 15, 2021, and in other filings Mawson has made and may make with the SEC in the future. One should not place undue reliance on these forward-looking statements, which speak only as of the date on which they were made. Because such statements are subject to risks and uncertainties, actual results may differ materially from those expressed or implied by such forward-looking statements. Mawson undertakes no obligation to update such statements to reflect events that occur or circumstances that exist after the date on which they were made, except as may be required by law.
