Posted on May 17, 2022

Mawson Infrastructure Group Inc. is pleased to announce the listing of the Cosmos-Purpose Bitcoin Access ETF in Australia alongside Purpose Investments Inc and Gemini Trust Company LLC.

Mawson Infrastructure Group Inc. Announces the Listing of the Cosmos-Purpose Bitcoin Access ETF in Australia Alongside Market Leaders Purpose Investments Inc and Gemini Trust Company LLC

The Cosmos-Purpose Bitcoin Access ETF commenced trading on May 12th 2022

Sydney, Australia and New York City, USA – May 17th, 2022 – Mawson Infrastructure Group Inc. (NASDAQ:MIGI) (“Mawson”), a digital infrastructure provider, is pleased to announce the listing of Cosmos Asset Management’s second product, the Cosmos-Purpose Bitcoin Access ETF (“CBTC”).

The Cosmos-Purpose Bitcoin Access ETF (CBTC.CXA) launched yesterday May 12th 2022 on Cboe Australia. The CBTC holds units in the Purpose Bitcoin ETF (BTCC.U), the world’s first physically settled Bitcoin ETF, with approximately US\$1.2BN in Assets Under Management - An investment in CBTC gives investors access to the underlying Bitcoin asset, in a regulated, familiar, liquid and publicly listed structure.

Gemini Trust Company LLC (“Gemini”) is the custodian of the Purpose Bitcoin ETF, providing institutional grade security. The Cosmos-Purpose Bitcoin Access ETF brings to market a partnership of experienced global digital asset specialists in Purpose Investments Inc, Gemini Trust Company LLC and Cosmos Asset Management.

Cosmos Asset Management was spun out of Mawson Infrastructure Group Inc (NASDAQ:MIGI), and Mawson remains Cosmos’ largest shareholder.

James Manning, CEO and Founder of Mawson, said, *“We are excited to see Cosmos Asset Management, in partnership with Purpose Investments and Gemini, launch this product in Australia. At Mawson we firmly believe access to digital assets should be made easy, whilst maintaining compliance with local rules and regulations. A regulated financial product under the ETF structure achieves these outcomes, and we are excited for what comes next at Cosmos Asset Management.”*

Dan Annan, CEO of Cosmos Asset Management, said, *“Cosmos Asset Management has been at the forefront of delivering access to the cryptocurrency asset class as a regulated financial product to Australian investors since its inception. We are very excited to bring this much anticipated Bitcoin ETF exposure to the Australian market—the Cosmos-Purpose Bitcoin Access ETF (Cboe: CBTC). By partnering with Purpose Investments Inc, who over a year ago launched the world’s first spot Bitcoin ETF—the Purpose Bitcoin ETF, and Gemini Trust Company LLC, the gold standard for cryptocurrency custody, we have brought together a team of global experts to offer Australian investors access to a truly high-quality product. There’s increasing investor demand for access to new cryptocurrency and emerging technology investment opportunities, and we will continue to bring new and innovative products to the market for Australian investors.”*

About Mawson Infrastructure

Mawson Infrastructure Group (NASDAQ: MIGI) is a digital infrastructure provider, with multiple operations throughout the USA and Australia. Mawson’s vertically integrated model is based on a long-term strategy to promote the global transition to the new digital economy. Mawson matches sustainable energy infrastructure with next-generation mobile data centre (MDC) solutions, enabling low-cost Bitcoin production and on-demand deployment of infrastructure assets. With a strong focus on shareholder returns and an aligned board and management, Mawson Infrastructure Group is emerging as a global leader in ESG focused Bitcoin mining and digital infrastructure.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

Mawson cautions that statements in this press release that are not a description of historical fact are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by the use of words referencing future events or circumstances such as "expect," "intend," "plan," "anticipate," "believe," and "will," among others. Because such statements are subject to risks and uncertainties, actual results may differ materially from those expressed or implied by such forward-looking statements. These forward-looking statements are based upon Mawson's current expectations and involve assumptions that may never materialize or may prove to be incorrect. Actual results and the timing of events could differ materially from those anticipated in such forward-looking statements as a result of various risks and uncertainties, which include, without limitation, the possibility that Mawson's need and ability to raise additional capital, the development and acceptance of digital asset networks and digital assets and their protocols and software, the reduction in incentives to mine digital assets over time, the costs associated with digital asset mining, the volatility in the value and prices of cryptocurrencies and further or new regulation of digital assets. More detailed information about the risks and uncertainties affecting Mawson is contained under the heading "Risk Factors" included in Mawson's Annual Report on Form 10-K filed with the SEC on March 21, 2022 and Mawson's Quarterly Report on Form 10-Q filed with the SEC on May 16, 2022, and in other filings Mawson has made and may make with the SEC in the future. One should not place undue reliance on these forward-looking statements, which speak only as of the date on which they were made. Because such statements are subject to risks and uncertainties, actual results may differ materially from those expressed or implied by such forward-looking statements. Mawson undertakes no obligation to update such statements to reflect events that occur or circumstances that exist after the date on which they were made, except as may be required by law.
